

REPUBLIC OF THE PHILIPPINES
CAGAYAN VALLEY REGIONAL INTER-AGENCY TASK FORCE
FOR THE MANAGEMENT OF EMERGING INFECTIOUS DISEASES
REGION 2

ADVISORY NO. 01

TO : ALL LOCAL CHIEF EXECUTIVES AND MEMBERS OF THE SANGGUNIAN

SUBJECT : STRICT OBSERVANCE OF GUIDELINES/POLICIES ON THE TRAVEL/MOVEMENT OF FRONTLINE PERSONNEL AND OTHER GOVERNMENT OFFICIALS AND EMPLOYEES

DATE : May 25, 2020

The Omnibus Guidelines on the Implementation of Community Quarantine in the Philippines approved by the Inter-Agency Task Force (IATF) on May 22, 2020, provided guidelines on the movement of people, goods and services between localities under the same community quarantine classification (intrazonal) and across areas under different community quarantine classification (interzonal).

Section 7(2) of the said Guidelines, states that ***"The movement as such of the following persons within and across areas placed under any form of community quarantine shall be permitted: (1) health and emergency frontline services personnel, (2) government officials and government frontline personnel,...and (7) anyone crossing zones for work permitted in the zone of destination, and going back home."***

Further, Paragraph 2 of said Section, also provides that ***"Land, air or sea travel by uniformed personnel, government officials and employees for official business with corresponding travel authority shall be allowed."***

While the efforts of LGUs to establish quarantine protocols to protect their constituents against COVID-19 are commendable, it is however emphasized that all LGU issuances, specifically on the above-mentioned subject matter, must conform to and are consistent with existing guidelines of the Inter-Agency Task Force (IATF) and other instrumentalities of the national government.

For guidance of all concerned.

Approved, during the 4th Regional Inter-Agency Task Force Meeting as reflected in the Minutes of the Meeting, held this 25th day of May, 2020 via video conference.
