#### CLIENT SATISFACTION MEASUREMENT

#### Scope:

This procedure covers the activities from the delivery of the requested service and conduct of client satisfaction survey in accordance with the ARTA Memorandum Circular No. 2022-05, up to the issuance of analysis and summary of client satisfaction report to the Top Management or issuance of Corrective Action Report for unmet customer satisfaction target.

## **Description of Service:**

To define the process for the conduct of client satisfaction surveys, monitoring and timely reporting of client satisfaction measurement results, and undertaking of corrective actions whenever necessary.
